

Transatlantic Mining Corp. Clarifies Disclosure

TCO NEWS RELEASE-VANCOUVER, B.C., August 16, 2017 – **Transatlantic Mining Corp.** (the “Company”) (TCO:TSX.V). As a result of a review by the British Columbia Securities Commission, the Company is issuing the following news release to clarify our disclosure.

On August 16th, 2017 the Company posted a revised Corporate Presentation to its website. That revised presentation referenced an economic assessment on the US Grant property based on an historical resource estimate and drill results, contrary to section 2.3(1)(b) of National Instrument 43-101. The Company hereby retracts that disclosure. It is anticipated that a corrected Corporate Presentation will be posted to the Company’s website in the immediate future.

About Transatlantic Mining Corp.

Transatlantic Mining (**TSX-V: TCO**) is an emerging precious and base metal explorer, developer and producer. The Company has a focus on high-grade mining, in stable mining jurisdictions. The Company is engaged in controlling and owning mineral properties interests, such as an 80% earn-in option on the **Monitor Copper-Gold** project in Idaho (USA).

In January 2016, the Company entered a lease/purchase option agreement on 100% of the **US Grant Gold-Silver Mine & Mill** complex in Montana (USA) which has developed a concentrate within 12 months. The Company also holds an exclusive lease with option to purchase on the **Kearsage** claim group comprising approximately 700 acres, located approximately four miles from the US Grant Mine. A proven management team, led by Chief Executive Officer **Bernie Sostak** seek to enhance shareholder value through expert exploration/development and expansion of its existing assets, together with selective and future earning accretive acquisitions. For further information please contact: **Bernie Sostak +61 (0) 439 904 044**.
